Convert from HDRP to URP or STANDAR Guidlines

REQUIREMENT SYSTEM

This HDRP Shader work with HDRP 7.5.1 or higher

HOW TO DO

Open video following this link it will show you how to swap material to URP and Standard RP

https://youtu.be/mxwNotwr74Q

UPDATE NEW DAWN SHADER VERSION

When Unity update new SRP version, my shaders maybe get errors or get trouble so I will update newest version here and change log file:

https://drive.google.com/drive/folders/1L2ue4EsxaDO5Elm4XDckcfrQOyZHyfFT?usp=sharing

All file will included password so please contace me via Discord or email and provide me your purchase information to get password. Sorry for this inconvenience

If you have any question, feel free to contact me!

Thanks and Regard,

Quang Phan
